

33ND ANNUAL RUN OF THE MILL 5K

SATURDAY JUNE 24TH, 2017

The ROTM is organized and hosted by Steve Knox and Columbia Funding Mortgage team as their way to give back to the community where they have two offices providing residential mortgage services.

The CFM team puts in hundreds of hours planning this event each year but receives no compensation from the event.

CFM does not use a race management company which saves thousands of operational costs most similar event incur. However there are other operational costs for permits, insurance, porta-potties, advertising and timing to name a few.

Your sponsorship dollars defer operational costs and thus allow the ROTM to donate significant funds to LOCAL charities. This is the 12th consecutive year Steve the CFM team have hosted the event and to date the ROTM has donated over \$350,000 to local charities.

We need your help! Your partnership is appreciated and your donation
